

# FRANKFORT ROUNDABOUT.

Jett.

Mr. Jas. Cassell, of Millville, was in our town last Tuesday.

Miss Sadie Fogg is visiting her aunt, Mrs. J. E. Miles, in Frankfort.

Mr. Jas. R. Shaw is slowly recovering from his recent spell of sickness.

Misses Florrie and Mattie Crutcher visited friends in Lexington this week.

Miss Josie Siehl, of Troy, Woodford county, visited friends here this week.

Hogs are low down in price, corn is still lower, and can't be sold hardly at all.

Mr. Lee Owen has a nice 3 year old filly, well broke to harness, for sale cheap.

Miss Lullie Cromwell returned from a short visit to friends in Fayette county this week.

Mr. Richard Fogg purchased 11 head of very good calves this week, price \$20 per head.

Mr. Thos. H. Bedford purchased his father's old farm, near the Forks, last week, containing 218 acres.

Mr. A. G. Thomas, of "My Partner" Company, visited his father-in-law, Mr. Newbold, Sunday last.

The society of "Alpine Climbers" will have their last meeting next Friday night until after the Christmas holidays.

HICK.

Bridgeport.

Hog killing about over.

Lullie Fox is very much better.

Christmas trees are beginning to bloom.

Bob Jenkins has recovered from his recent illness.

Little Julian Chinn and Harry Parrent are about well.

Quite a snow storm prevailed in this section last Sunday morning.

Mrs. Lizzie Roberts has about recovered from her recent illness.

Mr. J. D. Parrent has about recovered from his recent indisposition.

Mr. J. P. Morris (Sank) and family have removed to Jessamine county.

Little Pink Hawkins, who has been quite sick for several weeks, is convalescent.

Len. Blythe has been quite sick at his home in Graefenburg for two or three weeks.

Mr. Jerry Carter and wife, of Indiana, are visiting friends and relatives in this county.

In consequence of hog killing this end was not as well represented at County Court last Monday as usual.

Mrs. Julia Bailey and Mrs. Gussie Sargent are still very ill, with perhaps a slight improvement in favor of the former.

Misses Bettie McWilliams, Bettie Wilson and Messrs Crit, Major and Henry Parrent are on a pleasure trip to Louisville.

We understand a gentleman not a thousand miles from here killed nine hogs which made eight gallons of lard to the hog. Next

Rev. B. F. Hungerford, of Shelbyville, will preach at Franklin Church to-day at 2 o'clock a. m. All are invited to attend.

From the number of visits a certain young gent from the Alton neighborhood makes to this town we should judge he has business of importance on hand.

One of Wilder Dupuy's horses died very suddenly last week, he having but a few minutes previously been riding it and had just hitched her when she broke loose walked a few steps and fell dead.

The Franklin County Teachers Association convened at the residence of Mr. Walter Franklin, South Frankfort last Saturday and although the attendance was rather slim, the meeting was profitable to those present. Mr. Frank Johnson's address on the subject of education was an effort deserving much credit. Other subjects pertaining to the educational question were discussed by different members of the Association, making the occasion one very profitable and entertaining to those present. Miss C. McLane, a young lady teacher, came on horseback 14 miles to be present. And just here we remark that the ladies are taking a greater interest in these meetings than the males. If the male teachers are so careless in what directly concerns them, we for one vote that they step out and let others take their place who will be more inclined to work for this important undertaking. The thanks of the body unanimously tendered Mrs. Franklin for her kindness in providing room for the Association.

The following were chosen as delegates to the State Teachers Association, to be held in Louisville, Dec. 26 and 27th, 1884, viz: Col. T. B. Ford, C. H. Parrent, T. Hunter, Frank Johnson, Mrs. Agnes Franklin, Misses Katie Shipp and Lullie Ward.

## Malarial Poison.

Having spent much of my time for the past three years in and near Albany, Ga., I had gradually absorbed malaria into my system, and my general health was completely broken down; this poison culminated last November in a congestive chill, and I was confined to the bed and house for five months; was treated by the best physicians, by all the approved methods with no benefit; my health was awfully broken down; my skin almost as yellow as a pumpkin; a thick heavy coat on my tongue; no appetite; and in a miserable fix generally. I was induced in April last to take Swift's Specific, and the first few doses convinced me that it was what I needed. I continued until I had taken several bottles, and am a well man, the poison has all been driven out of my system by Swift's Specific, and I have gained thirty pounds in weight.

## Treatment of Cancer.

For twenty years I have suffered from a cancer on the side of my neck near the shoulder, and exhausted the whole catalogue of remedies without any relief. The cancer growing worse all the time, the whole upper part of my body became stiff and full of pain. I had virtually lost the use of both arms, my general health had broken and I saw it was only a question of time when life itself would be destroyed. In this condition I commenced the use of Swift's Specific. The first bottle relieved me of the stiffness in the neck, the second gave me perfect use of my arms, and I feel strong and well in every way. I am a poor man but I would not take \$5,000 for the good I have experienced with Swift's Specific. I believe it will force out all the poison and cure me.

W. R. ROBINSON, Davisboro, Ga.
